I . Introduction

1.1 Purpose of the System

The HR Applicant Process Windows Application streamlines recruitment and applicant tracking.

1.2 System Overview

The system allows applicants to apply for vacancies and HR personnel to manage the hiring process.

1.3 Intended Users

- Applicants
- HR Staff
- HR Manager/Admin

1.4 Key Features

- Applicant Registration
- Job Vacancy Management
- Application Tracking
- Document Submission
- Applicant Screening
- Interview Scheduling
- Hiring Decisions

II. System Requirements

Hardware Requirements

- Intel Core i3 or higher
- 4 GB RAM minimum
- 500 MB free storage

Software Requirements

- Windows 10/11
- MySQL Server
- .NET 10 Runtime

Installation Guide

- Install MySQL Server
- Import the database
- Configure App.config
- Run the application

III. How to run the program

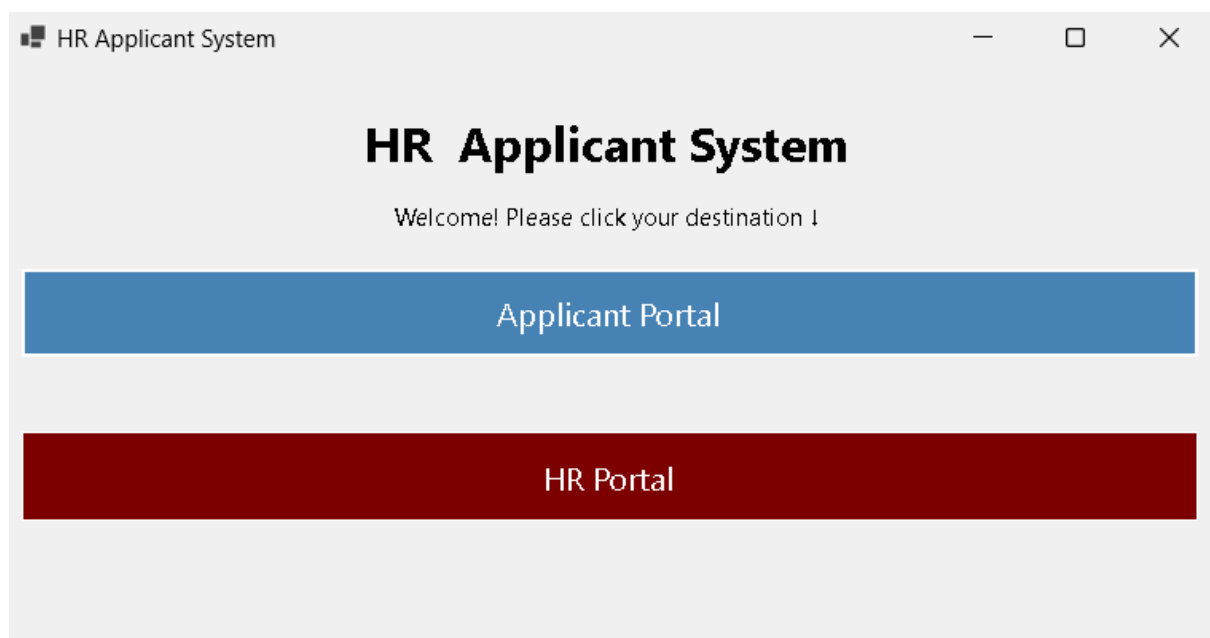

Step 1. Download or clone the project files from the GitHub repository.

Step 2. Open the project using Visual Studio or any compatible IDE.

Step 3. Make sure MySQL is running and the database is properly configured.

Step 4. Run the program by pressing the green play button located at the top center of Visual Studio or by pressing Ctrl + F5 on your keyboard.

Step 5. The system will start and display the menu

IV. Applicant Side

3.1 How to Register

1. Open the application.
2. Select Applicant Login.
3. Click Register.
4. Complete the registration form.
5. Submit the form.

3.3 How to View the Dashboard

View profile information, status, and notifications.

The screenshot shows a window titled "HR Dashboard". It features a welcome message "Welcome, admin! (Admin)". On the left, a "Recruitment Summary" box displays three statistics: "Total Applicants: 3", "Pending Review: 0", and "Scheduled Interviews: 1". On the right, there is a vertical stack of four buttons: "View Reports", "View Applicants" (which is highlighted with a blue border), "Manage Job Vacancies", and "Maintenance Panel". A "Logout" button is located at the bottom right of the dashboard.

3.4 How to View Job Vacancies and Apply

1. Open Job Vacancies.
2. Select a vacancy.
3. Click Apply.

The screenshot shows a web application titled "Job Vacancy Management". It features a main table with columns: JobVacancyID, JobTitle, DepartmentName, EmploymentType, and Status. The table contains three rows: (3, HR Staff, Human Resourc..., Full Time, Open), (2, Web Developer, IT, Part Time, Open), and (1, Software Engineer, Software Engineer, Full Time, Open). The third row is selected. To the right, a panel titled "Applicants for: Software Engineer" shows a table with columns: ApplicantName, Email, and Status. It contains one row: (Juan Dela Cruz, test@email.com, Shortlisted). Below the main table are buttons: "Add New", "Edit", "Open / Close", "View Applied Applicants", and "Back". At the bottom, there are input fields for "Job Title:" (HR Staff), "Department:" (dropdown), "Employment Type:" (Full Time), "Description:" (An staff for interviewing, analyzing, and managing the), and "Qualifications:" (College Graduate). There are "Save" and "Cancel" buttons.

JobVacancyID	JobTitle	DepartmentName	EmploymentType	Status
3	HR Staff	Human Resourc...	Full Time	Open
2	Web Developer	IT	Part Time	Open
1	Software Engineer	Software Engineer	Full Time	Open

ApplicantName	Email	Status
Juan Dela Cruz	test@email.com	Shortlisted

Buttons: Add New, Edit, Open / Close, View Applied Applicants, Back

Form fields: Job Title: HR Staff, Department: [dropdown], Employment Type: Full Time, Description: An staff for interviewing, analyzing, and managing the, Qualifications: College Graduate, Save, Cancel

3.5 How to Submit Documents

1. Open My Documents.
2. Upload required files.
3. Save changes.

The screenshot shows the "Applicant Dashboard" with a sidebar menu. The main content area is titled "My Documents". It displays a status bar: "Submitted: 1", "Missing: 0", and "No active application found.". Below this is a "Document List" table with columns: Document Type, File Name, Status, Remarks, and Date Submitted. The table is currently empty. Below the table, there is a form for uploading documents. It includes a "Document Type:" dropdown, a "Selected File:" input field with a "Browse..." button, and a "Remarks:" input field. At the bottom of the form are buttons: "Upload", "Replace", and "Clear".

3.6 How to Track Application Status

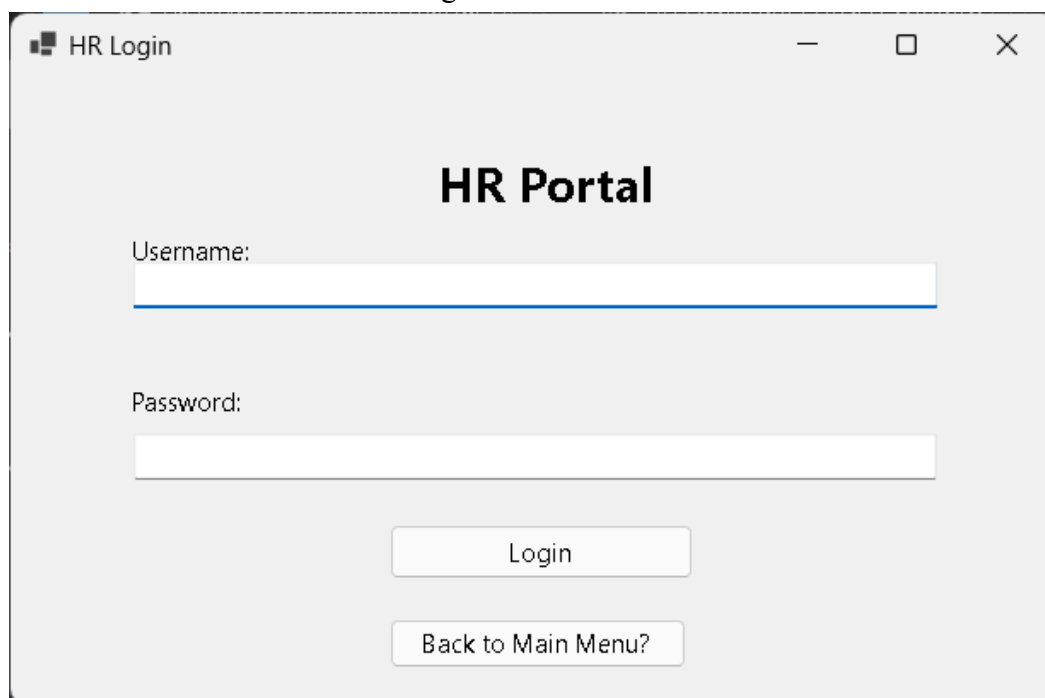

View the Application Status page from the dashboard.

V. HR Side

4.1 How to Login as HR

Enter HR credentials and click Login.

4.2 How to Use the HR Dashboard

Monitor applicants, vacancies, and schedules.

The screenshot shows a web application titled "HR Dashboard" in the browser's title bar. The main content area is divided into two sections. On the left, a large white box with a light gray border contains the heading "Welcome, admin! (Admin)" in bold black text. Below this heading is a section titled "Recruitment Summary" in bold black text. Under the summary, there are three lines of text: "Total Applicants: 3", "Pending Review: 0", and "Scheduled Interviews: 1". On the right side of the dashboard, there is a vertical stack of four rounded rectangular buttons: "View Reports", "View Applicants" (which is highlighted with a blue border), "Manage Job Vacancies", and "Maintenance Panel". At the bottom right of the dashboard, there is a single rounded rectangular button labeled "Logout".

4.3 How to Review an Applicant

Open the applicant profile and review documents.

4.6 How to Evaluate an Interview

Enter interview remarks and scores.

The screenshot shows a web application window titled "Interview Evaluation". The window has a light gray background and standard window controls (minimize, maximize, close) in the top right corner. The title "Interview Evaluation" is centered at the top in a bold, black font. Below the title, the text "Applicant: Juan Dela Cruz" is displayed. The form contains several input fields: a "Score (0-100):" field with a numeric value of "0" and a small up/down arrow icon on the right; a "Result:" field with a dropdown menu showing a downward arrow; a "Remarks:" field with a text input area; and a "Recommendation:" field with a text input area. At the bottom of the form, there are two buttons: a "Back" button on the left and a "Save" button on the right.

4.7 How to Make a Hiring Decision

Select Hire or Reject and save the decision.

The screenshot shows a web application window titled "Hiring Decision". The window has a light gray background and standard window controls (minimize, maximize, close) in the top right corner. The title "Final Hiring Decision" is centered at the top in a bold, black font. Below the title, the text "Applicant: Juan Dela Cruz" is displayed. The form contains two input fields: a "Decision:" field with a dropdown menu showing a downward arrow, and a "Remarks:" field with a text input area. Below the input fields, there is a warning message: "⚠ Only HR Manager/Admin can accept." At the bottom of the form, there are two buttons: a "Back" button on the left and a "Save" button on the right.

VI. Role Restrictions

Applicant Restrictions

- Applicants can edit their profile information and submit documents only before the HR review process begins.
- Once an application is under review, applicants can no longer modify or update their submitted information and documents.

HR Staff Can:

- Review applicants
- Conduct screening
- Schedule interviews
- Record evaluations

HR Staff Cannot:

- Manage system settings
- Manage HR accounts
- Accept applicant applications
- Reject applicant applications

HR Manager/Admin Can:

- Perform all HR Staff functions
- Manage accounts
- Manage vacancies
- Make final hiring decisions
- Accept or reject applicant applications
- View reports and audit logs

VII: Troubleshooting

Unable to Login

- Verify username and password.
- Check database connection.

Database Connection Error

- Ensure MySQL is running.
- Verify App.config settings.

Documents Not Appearing

- Re-upload the file.
- Check supported file formats.

Application Crashes on Startup

- Install .NET 10 Runtime.
- Verify configuration files.
